

Dear Friends of Astbury,

URGENT HELP REQUIRED TO HELP WITH MAY DAY 2018

The Astbury May Day team, will sit together for their first meeting on **Wednesday 15th November 2017 at 7pm at Egerton Arms.**

During this meeting, the team will be looking to appoint a committed membership for the up and coming 2018 Astbury Village May Day. The proposed date for next year's May Day is: **Saturday 19th. May 2018.**

Whatever your connection is with the village, you will already know the history and tradition that is preserved through this magnificent day. The palpable community spirit which is enjoyed by many from far and wide, takes months of hard work and preparation and can only be made possible by a determined pragmatic team of volunteers.

The current May Day team (or custodians of that tradition) needs more help and members this year, to secure its future for the coming year and hopefully for some years to come too.

Please come along to the meeting on **Wednesday 15th November** if you feel like you have the time to bestow to a great cause, which of course raises valuable money for the local community.

You can find The Astbury May Day on Facebook so please, please join us and so as a community we can share ideas and arrange dates etc.

Many Thanks & Kind Regards

The May Day Team.
